EXPRESSION ÉCRITE

Vous traiterez en anglais et en 120 mots au moins l'un des trois sujets suivants au choix :

a) Your parents have emigrated from France to the USA when you were a baby. Write a letter to your grandparents, who have stayed in France, to explain why you feel more American than French.

Dear Grandparents,

I'm writing to you to explain why I prefer America to France and feel more American. Having emigrated to the USA as a baby, I hardly remember anything from France, apart from the very famous monuments that are taught all over the world. In the United States, French is not a spoken language. I can't speak French even if I could, I'm still missing the second main element, culture. I don't know anything of French history, apart from when France was helping America and vice versa. I have no friend in France and barely visit the country.

This is why, dear Grandparents, I wish to stay in America.

Sincerely, your grandson.
